SUPPLEMENTARY INFORMATION: This proposal addresses the following state statute: A.R.S. section 49-457.05 (only A, B, D, and I), ("dust action general permit; best management practices; applicability; definitions"). In the Rules and Regulations section of this Federal Register, we are approving this state statute in a direct final action without prior proposal because we believe this SIP revision is not controversial. We do not plan to open a second comment period, so anyone interested in commenting should do so at this time. If we do not receive adverse comments, no further activity is planned. For further information, please see the direct final action.
